Schooner Chauncey E. Burke Lost Near Nassau.

CREW RESCUED BY LIFE-SAVERS

Vessel Sailed From Hampton Roads With Cargo of Coal and Was Driven by Hurricane Upon Reef at Abaco—Marine Notes.

The schooner Chauncey E. Burke, which sailed from Hampton Roads for Cardenas with a cargo of coal, was wrecked at Abaco, near Nassau, during a hurricane on September 5. The schooner ran into the terrific blow near Nassau and despite the efforts of her crew to keep her in the open sea, she was blown into the reef near Nassau and was afterwards piled on the shore.

As soon as the vessel struck Captain Fisher and his crew launched the life boat and succeeded, by the aid of life savers, in reaching shore in safety. When the schooner was first beached it was thought that she possibly might be saved, but the storm continued with unabated fury and the pounding of the heavy seas broke the vessel's hull up. The schooner, her cargo, and most of the personal effects of her skipper and crew are a total loss.

The Burke is well known at this port, having made frequent visits here during the past four or five years. She made frequent voyages in the coal trade out of this port to New England and carried several cargoes of coal from Newport News to ports in the West Indies. Captain Fisher, her skipper, is well known in local shipping circles.

ANNUAL REPORT OF SUPT.

Will be Received by School Trustees Tomorrow Night.

At the regular meeting of the board of school trustees tomorrow night, Superintendent of Schools W. C. Morton will submit his annual report to the board. The report will no doubt be an interesting one and it is said that it will contain many important recommendations.

Many matters of importance are to be considered by the board tomorrow night, one of the most interesting of which will be the report of the finance committee on the ways and means, whereby Mayor Buxton is to raise funds for conducting the city schools until the first allotment of the State fund is available on December 1.

SMITHFIELD JUNIORS ARE ENTERTAINED BY LOCAL COUNCIL

Party Came Over Last Night in Launches—Interesting Speeches Upon Work of Order.

Smithfield Lodge, No. 147, Jr. O. U. A. Mechanics, was entertained last night by the Valley Forge Council, No. 145, Jr. O. U. A. M., in its lodge room in Garrett's hall on Washington avenue near Thirty-first street. The visitors arrived in this city in launches about 8 o'clock last night. They were met at the pleasure pier, near the Chesapeake and Ohio depot, by a committee from the Valley Forge Council and escorted to the lodge room.

At the hall interesting speeches upon the work of the order were made by several members of the local council and the Smithfield lodge and following that refreshments were served. The visitors returned home at a late hour last night.

BIG REPUBLICAN LOSS.

Democrats Made Clean Sweep in Many Maine Districts.

(By Associated Press.)
PORTLAND, ME., Sept. 11.—With fifty towns and plantations missing out of 520 in the State, unofficial returns show that Governor William T. Cobb, received a plurality of 7,366 votes in yesterday's election. The vote of 470 towns heard from give Cobb, Republican, 67,548; Davis, Democrat, 60,182.

Most of the missing localities are accessible only by canoe or stage and many had not been heard from for two or three days. Governor Cobb holds close to the Republican vote of four years ago in the missing towns. His plurality will approach 9,000, but this will be the smallest plurality received by any governor since 1884.

In the Second Congressional District 114, out of 123 towns give Charles Littlefield, 18,385, against 17,201 votes cast for Daniel J. McGillicuddy, Democrat. The Republican plurality shows a net loss of 4,152 as compared with the vote of four years ago. In nearly all of 16 counties, the Democrats elected at least a portion of the local tickets and in some they made a clear sweep. It is believed that many recounts may be necessary on account of the closeness of the vote.

THOUSANDS IN BALTIMORE.

Military Takes Prominent Part in Jubilee Celebration.

(By Associated Press.)
BALTIMORE, MD., Sept. 11.—Several thousand visitors came to Baltimore today to witness the first of the big parades which will be one of the principal features of the week of Jubilee in commemoration of the recovery of the city from the great fire of February, 1904.

It was a military display, participated in by United States regulars, companies of militiamen from Richmond and Norfolk, cadets and seamen from the United States cruiser Newark, the revenue cutters Seminole and Apache and the bark Chase, in addition to the naval brigade and remnants of the Maryland National guard.

PAYMASTERS APPOINTED.

President Roosevelt Promotes Army and Navy Men.

(Associated Press.)
WASHINGTON, D. C., Sept. 11.—The President has appointed Col. Culver C. Sniffin to be paymaster-general of the army, to succeed Gen. Francis S. Dodge, who retired today. The new paymaster-general has been in the service since March 2, 1877. The President has selected pay director Eustace B. Rogers to be paymaster-general of the navy. Rogers is ninth in the list of pay-directors, with the rank of Captain.

NEGRO SHOT BY SHERIFF.

Fellow Killed While Trying to Release His Brother.

(By Associated Press.)
EASTMAN, GA., Sept. 11.—Deputy Sheriff Curry, from Adrian, Ga., today arrested Jim Neal, colored, and was on his way to Eastman with him when Tom Neal, a brother of the man under arrest, tried to take him away from Curry. Neal opened fire on Curry with a gun.

The fire in the excitement dazed the fire was returned and Tom Neal was shot through the head and killed. In the excitement Jim Neal escaped, but was captured later by Curry and lodged in the Dodge county jail.

CURTIS WILL BE COACH

Chances for Fast Football Eleven Seem Good.

PLENTY OF MATERIAL HERE

Dozen or More Candidates Are Already to be Tried Out as Soon as the Coach Arrives—Change in Rules of Game.

Newport News will be represented on the gridiron this season by one of the fastest elevens ever gotten together in this city. A number of well known foot ball players of the city are now preparing to organize a team and they claim that there is plenty of material here for the making of an exceptionally strong team. The eleven will be coached by Joe Curtis, former quarter back of the Dickinson College eleven and one of the best known foot ball players in this section.

Curtis is expected to arrive here in a few days from Springfield, Conn., where he has been playing base ball this season and he will immediately take charge of the foot ball squad. He with several other local players will first set to work to advise the best possible plays to be made under the new foot ball rules, which are decidedly different from those of last season.

While the team has not yet been organized the men will get together as soon as Curtis reaches the city and practice will begin next week. Among the well known players who will be on the eleven will be Gordon Robinson, the star end of the local eleven last season. Charles and Forrest Sutton, two fast half backs, Lyons, center on last year's team, James Eddins, tackle; Robert Payne, end; Forty, half back; rank Sears, quarter back; Betts, full back; Bashford, guard and Monfalcone, guard. Besides these players there will be a number of new candidates for the team and Coach Curtis should find no trouble in picking a fast team from the squad which will turn out.

Under the new foot ball code, most of the playing this season will be done in the open, very few close formations being permissible. The tactics were changed this season in order to eliminate as far as possible serious accidents to players, but in the opinion of some of the best players of the country the danger to players in the open style of foot ball is greater than in the close formation style.

Under the new rules the local team should make a better showing than in close formation plays. All of the backs on the eleven will be light men, but men who are good tacklers and fast sprinters and this should give them a good chance at scoring. A number of games with fast teams will be played here this season, as the promoters of the local eleven will use every effort to give the lovers of the gridiron sport in this city some fast exhibitions.

THIEVES SMASHED VALUABLE

CASH REGISTER BUT GOT NO CASH

Bennie Jones' Saloon on Warwick Avenue Entered Some Time Monday Night.

Thieves entered Bennie Jones' saloon, corner Warwick avenue and Twenty-fifth street, some time Monday night and carried off a valuable cash register. The register contained no money except a small amount of change, but the thieves carried it under the Twenty-fifth street bridge and smashed it up.

Entrance to the saloon was forced through the front door. A small latch on the door offered little resistance. The robbery was reported to the police department yesterday morning.

ALLEGED KIDNAPPER RELEASED.

Gets Out on Bail—Denies Any Knowledge of Affair.

(By Associated Press.)
ELIZABETH CITY, N. C., Sept. 11.—Joshua Harrison, who was arrested in Currituck county last week on the charge of being implicated in the kidnapping of Kenneth Beaseley, the 10 year old son of State Senator Beaseley, and brought to this place for safe keeping has been released in the sum of \$2,200 for his appearance at the next term of the Superior Court.

Harrison made a statement in which he denied having anything to do with the disappearance of Kenneth Beaseley and claimed he was at his home, the day the boy was missed.

W. S. Newborne, Jr., and W. S. Newborne, Sr., of Currituck, became sureties for the bond required to secure the release of Harrison.

Tennessee Democrats Nominate.

(By Associated Press.)
KNOXVILLE, TENN., Sept. 11.—The Democratic convention for the Second District of Tennessee today nominated E. L. Foster, of Coal Creek for Congress.

Meeting of Masons.

There will be a meeting of Peninsula Lodge, No. 278, A. F. and A. M., at the lodge room Friday night at 7:30 o'clock.

Woman's Kidney Troubles

Lydia E. Pinkham's Vegetable Compound is Especially Successful in Curing This Fatal Disease.

Of all the diseases known, with which women are afflicted, chronic kidney disease is the most fatal. In fact, unless early and correct treatment is applied, the weary patient seldom survives.

Being fully aware of this, Lydia E. Pinkham, early in her career, gave exhaustive study to the subject, and in producing her great remedy for woman's ills—Lydia E. Pinkham's Vegetable Compound—was careful to see that it contained the correct combination of herbs which was sure to control that fatal disease, woman's kidney troubles.

Lydia E. Pinkham's Vegetable Compound is the only one especially prepared for women, and thousands have been cured of serious kidney derangements by it. Derangements of the feminine organs quickly affect the kidneys, and when a woman has such symptoms as pain or weight in the loins, backache, bearing-down pains, swelling or burning sensations or deposits in the urine, unusual thirst, swelling of hands and feet, swelling under the eyes or sharp pains in the back, running through the groin, she may infer that her kidneys are affected and should lose no time in combating the disease with Lydia E. Pinkham's Vegetable Compound, the woman's remedy for woman's ills.

The following letters show how marvelously successful it is.
Mrs. Samuel Frake, of Prospect Plains, N. J., writes:
Dear Mrs. Pinkham:—
I cannot thank you enough for what Lydia E. Pinkham's Vegetable Compound has done for me. When I first wrote to you I had suffered for years with what the doctor called kidney trouble and congestion of the female organs. My back ached dreadfully all the time, and I suffered so with that bearing-down feeling I could hardly walk across the room. I did not get any better, so decided to stop doctoring with my physician and take Lydia E. Pinkham's Vegetable Compound and I am thankful to say it has entirely cured me. I do all my own work, have no more backache and all the bad symptoms have disappeared. I cannot praise your medicine enough, and would advise all women suffering with kidney trouble to try it.

Mrs. J. W. Lang, of 626 Third Avenue, New York, writes:
Dear Mrs. Pinkham:—
I have been a great sufferer with kidney trouble. My back ached all the time and I was discouraged. I heard that Lydia E. Pinkham's Vegetable Compound would cure kidney disease, and I began to take it; and it has cured me when everything else had failed. I have recommended it to lots of people and they all praise it very highly.

Mrs. Pinkham's Standing Invitation.

Women suffering from kidney trouble, or any form of female weakness, are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. The present Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham, her assistant before her decease, and for twenty-five years since her advice has been freely given to sick women. Out of the great volume of experience which she has to draw from, it is more than likely she has the very knowledge that will help your case. Her advice is free and always helpful.
